To Every Toastmaster Is Given the Power of Choice.

I hope every Toastmaster in South Carolina chooses to attend our District 58 Fall Conference, October 18-19, 2002, Greenville, South Carolina!

Your Conference Committee, Yvonne Reeder, DTM, Chairman, has, and is working diligently preparing an event that will be worthy of your attendance. The speakers and presenter are some of the finest ever assembled by any professional organization. The conference was assured success when it was announced by Toastmasters International that International President Gavin Blakey, DTM and his wife Bea Duffield, ATM would attend. President Blakey and Dr. Duffield are from Brisbane, Queensland, Australia.

Region VIII 2000 International Speech Contest winner, Larry Tucker, ATM, will deliver one of the three keynote talks. He will be joined by Region VIII Humorous Speech Contest Winner Jay Nodine and President Blake as our keynoters.

Friday, for those who register early, the District is offering a Pre-Conference Seminar, *From Speaker to Trainer*. Rachel Harjes, DTM is the presenter.

Friday evening, the Palmetto Mastercrafters will host a meeting that is guaranteed to entertain. The Mastercrafters meeting will be followed by a District wide talent show. And to round out the evening, there will be dancing in the hotel pub to live music.

Saturday morning you will have the opportunity to hear a wonderful guest speaker give a speech which will be Evaluated by the Contestants in the District 58

Evaluation Contest.

Saturday evening you will hear the Districts' Best Humorous Speakers compete in the District 58 Humorous Speech Contest.

In between the two contests, you will have your choice of many varied Education Sessions, plus keynote addresses, a lively District Council Meeting, and surprises to keep you wanting even more.

Winter Toastmaster Leadership Institute Moves to Divisions.

The District Toastmasters Leadership Institute (TLI) (Club Officer Training) for January 2003 will be conducted in the Divisions rather than one location. Club Officers can chose the weekend that best suits their personal schedule. All three TLI's count as completing goal #9 in the Distinguished Club Program (DCP), providing at least four officers attend training in the July/August 2002 period. Location, Day, and Time will be found on the District's website.
