

NCFCA
NATIONAL CHRISTIAN
FORENSICS &
COMMUNICATIONS
ASSOCIATION

Students who qualify at this event will proceed to the Regional Invitational in April. There they will compete for an invitation to the NCFCA National Tournament in June.

Our kids cannot do this without your help and the support of their community. If you can spare three hours during any of these days, it will be greatly appreciated and, more importantly, it will be an investment in the lives of these young people as they train to be our future leaders.

We hope that you will consider helping us again this year, or perhaps for the first time. We can't do it without you!

Only 5% of our population train in public speaking or debate, but of these 5%, over 80% become leaders in our county.

Dear Prospective Judge,

Community Judges represent a key ingredient for the successful implementation of our NCFCA Speech and Debate Tournament. Our students, ages 12-18, use this tournament as an opportunity to polish their public speaking and debating skills.

In addition to donations from local business and churches, our greatest need is to recruit over 500 community judges.

Obviously, you are very important to the success of our tournament, and we are asking for three hours of your time. You will be provided judges training, access to talented students, stimulating entertainment, and tasty refreshments.
