The Mission of the District

The mission of the district is to enhance the performance and extend the networks of clubs, thereby offering greater numbers of people the opportunity to benefit from the Toastmasters educational program by:

- ✓ Focusing on the critical success factors as specified by the district educational goals and membership goals.
- ✓ Ensuring that each club effectively fulfills its responsibilities to its members.
- ✓ Providing effective training and leadership development opportunities for club and district officers.

The Heart of the Toastmasters Program...

is the Club. It provides the environment and support members need to develop their communication and leadership skills.

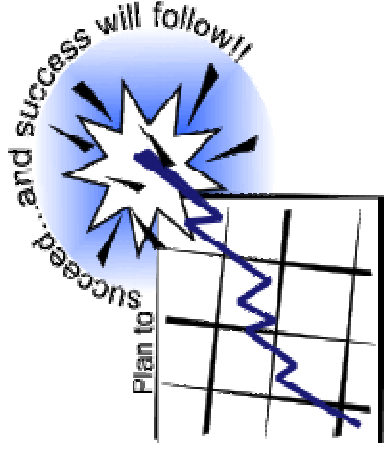

Featured within the Toastmasters organization are additional levels of assistance which provide support to clubs. The primary function of districts, for example, is to help clubs in their efforts. Area governors work for the districts by taking responsibility for the well-being and activities of all clubs assigned to their areas. As district officers, division governors strengthen this network by offering support and guidance to area governors. **Effective area governors encourage the health and growth of clubs and insure the success of their divisions.**
